Prepared for Corporate Social Responsibility Partnerships

01 | About the Organisation

J S Manav Seva Sansthan Trust is focused on social welfare and practical support for people who need care, dignity and assistance. Its work is centred around senior citizen support, food and basic assistance, healthcare initiatives, eye-care support and community welfare activities.

Our Vision

A society where vulnerable and elderly people are treated with care, respect, dignity and compassion.

Our Mission

To provide practical social support and create opportunities for responsible individuals and organisations to participate in meaningful community welfare.

Our Core Focus

01	Senior Citizen Care	Care, dignity and practical support for elderly people in need.
02	Food & Basic Support	Meal and essential-support initiatives for vulnerable communities.
03	Healthcare	Health camps and access-oriented healthcare support.
04	Eye Care	Eye-care initiatives and support for eligible beneficiaries.
05	Community Welfare	Targeted assistance and welfare activities for underserved people.

02 | Our Social Impact Areas

Senior Citizen Care

Senior citizens can face challenges related to food, companionship, healthcare and day-to-day support. Our work seeks to provide a caring environment and practical assistance while protecting the dignity of elderly beneficiaries.

Food & Meal Support

Meal-support initiatives address an immediate basic need and provide a tangible way for communities and corporate partners to contribute.

Healthcare & Health Camps

Healthcare initiatives and health camps are designed to connect people in need with basic health support and awareness. Partnerships can help strengthen reach, frequency and resources.

Eye Care Initiatives

Eye-care initiatives can improve quality of life for people who may otherwise face barriers to timely care. Corporate support can help strengthen camps and treatment support.

Community Welfare

Community-oriented welfare activities provide essential assistance to people facing difficult circumstances and can be strengthened through structured CSR partnerships.

**“Meaningful support is not only about resources
— it is about creating dignity, opportunity and a
better tomorrow.”**
